Karthik Naidu

karthik.naidu@example.com | +91 99887 76655 | github.com/karthik-naidu

SKILLS

Python, PyTorch, TensorFlow, Machine Learning, Deep Learning, Docker, Git, FastAPI, MLflow, AWS, SQL, Model Deployment

EDUCATION

B.E in Computer Science, Anna University, 2020 - 2024

CERTIFICATIONS

Machine Learning Specialization

AWS Cloud Practitioner

EXPERIENCE

Machine Learning Engineer, VisionAI Labs - Aug 2024 - Present

• Trained deep learning models in PyTorch and served them through FastAPI in Docker containers.

• Tracked experiments with MLflow and set up Model Deployment on AWS.

ML Intern, DataNest - Jan 2024 - Jul 2024

• Built machine learning pipelines with Python and SQL.

PROJECTS

• Object detection service: TensorFlow model, Dockerised and deployed with CI/CD on GitHub Actions.

• Resume parser using NLP and Hugging Face transformers.
